**CERT**  
COMMUNITY EMERGENCY  
RESPONSE TEAM

Prince George County  
Community Emergency Response Team (CERT)  
Basic CERT class announcement!

CERT educates individuals about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using training learned in the classroom and during exercises, CERT volunteers can assist others in their community following a disaster when professional responders are not immediately available to help. CERT volunteers are also encouraged to support emergency response agencies by taking an active role in emergency preparedness projects. Go to <https://www.ready.gov/cert> for more information on CERT programs.

CERT allows you to meet new people, learn new skills and become a valuable asset to your community.

Prince George CERT will be holding basic CERT training starting on **September 14<sup>th</sup>, 2023**. Classes will be nine consecutive **Thursdays from 6:00 – 9:00 pm**. Classes will be held at the Prince George Central Wellness Center (CWC), 11023 Prince George Drive, Disputanta. There is no cost for taking the course and you need not be a resident of Prince George to attend.

To register and for information on the Prince George program, visit
